

## Extravagant Love

Mark 14:1-11

April 29, 2018

- We must rightly assess the worth of Jesus in order to truly love him wholeheartedly.

### 4 Responses to Jesus

#### 1. Outright Hostility (14:1-2)

- The religious leaders hate Jesus.
- Hostility still exists today.
  - *Through hateful comments about the church.*
  - *Through mockery.*
  - *Through doctrinal editing.*

#### 2. Cunning Betrayal (14:10-11)

- Judas pursued an opportunity to betray him (10-11)
- We are accountable for our actions!
- Judas was one of the twelve (10)
- It is possible to be in the church but not a part of Christ. (*Heb 10:26, 31*)

#### 3. Religion in Moderation (14:3-6)

- The guests prefer a "little dab will do you" kind of discipleship
- Love for God actually inspires and informs love of neighbor (5).
- Discipleship requires wholehearted devotion to Jesus.
- Do not live to please people, but live to please the Savior.

#### 4. Wholehearted Devotion (14:6-9)

- She did what she could, with what she had.
- Rightly assess the worth of Jesus.
- Actions flow from affections.
- Realize that wholehearted worship is beautiful not wasteful.
