

Watch Your Heart
Proverbs 4:23
May 5, 2019

Avoid the danger of a careless heart

- *Your heart is the source of your attitudes.*
- *Your attitudes produce your actions.*

Instead of focusing on modification focus on your motivation.

Appreciate the difference of a changed heart

- Pursue Christ.
- Protect your heart.

What belongs on your dashboard?

John Calvin said that nearly all the wisdom we need comes in two parts—
the knowledge of God and knowledge of ourselves.
